IMPORTANT SAFETY INSTRUCTIONS

READ ALL INSTRUCTIONS BEFORE USING YOUR UPRIGHT VACUUM.
Always connect to a polarized outlet (one slot is wider than the other). Unplug from outlet when not in use and before conducting maintenance. When using an electrical appliance, basic precautions should be observed, including the following:

WARNING

TO REDUCE THE RISK OF FIRE, ELECTRIC SHOCK OR INJURY:

» Do not leave vacuum cleaner when it is plugged in. Unplug from outlet when not in use and before servicing.
» Do not use outdoors or on wet surfaces.
» Do not allow to be used as a toy. Close attention is necessary when used by or near children.
» Do not use for any purpose other than described in this user guide. Use only manufacturer’s recommended attachments.
» Do not use with damaged cord or plug. If appliance is not working as it should, has been dropped, damaged, left outdoors, or dropped into water, have it repaired at an authorized service center.
» Do not pull or carry by cord, use cord as a handle, close a door on cord, or pull cord around sharp edges or corners. Do not run appliance over cord. Keep cord away from heated surfaces.
» Do not unplug by pulling on cord. To unplug, grasp the plug, not the cord.
» Do not handle plug or vacuum cleaner with wet hands.
» Do not put any object into openings. Do not use with any opening blocked; keep openings free of dust, lint, hair, and anything that may reduce air flow.
» Keep hair, loose clothing, fingers, and all parts of body away from openings and moving parts.
» Turn OFF all controls before plugging or unplugging vacuum cleaner.
» Do not use to pick up flammable or combustible materials (lighter fluid, gasoline, kerosene, etc.) or use in areas where they may be present.
» Do not use without filters in place.
» Do not pick up hard or sharp objects such as glass, nails, screws, coins, etc.
» Do not use with damaged cord or plug. If appliance is not working as it should, has been dropped, damaged, left outdoors, or dropped into water, have it repaired at an authorized service center.
» Do not use with damaged cord or plug. If appliance is not working as it should, has been dropped, damaged, left outdoors, or dropped into water, have it repaired at an authorized service center.
» Do not use outdoors or on wet surfaces.

IMPORTANT SAFETY INSTRUCTIONS

THIS APPLIANCE HAS A POLARIZED PLUG
To reduce the risk of electric shock, this appliance has a polarized plug (one blade is wider than the other). This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician to install a proper outlet. Do not change the plug in any way.

SAVE THESE INSTRUCTIONS FOR FUTURE USE
This model is for household use only.
Thanks for buying a BISSELL® vacuum!

We love to clean and we’re excited to share one of our innovative products with you. We want your vacuum to work like new for the years to come, so this guide has tips on how to use, maintain and, if there’s a problem, troubleshoot.

Your vacuum needs a little assembly before getting to work, so flip to the “Assembly” section and let’s get started!

What’s In The Box?

<table>

13. Stretch Hose
14. Crevice Tool & Extension Wand Holder with Tools
15. Hose Wand Base
16. Pet Hair Eraser® Tool (does not store on unit; only available select models)
Assembly

**WARNING**
Do not plug in your vacuum until you are familiar with all instructions and operating procedures.

1. Slide Handle into vacuum base. Attach with the screw that is taped to the Handle.

2. Attach hose by lining the tabs on the cuff with the notches on the back of vacuum. Twist clockwise to lock hose into place.

3. Push Handle end into base of vacuum on opposite side.

4. Slide the Crevice Tool/Extension Wand Holder down onto the middle of the back of base.

5. Slide the Pet TurboEraser® tool holder down on the top back of the base.

6. To use your optional Febreze filter (included), press the Dirt Tank Release Button and pull tank away from vacuum.

7. Remove the black/yellow foam filter and replace with the black Febreze filter. Be sure to place the Febreze filter last, covering the the mesh filter. Place Dirt Tank back on vacuum.

Certain trademarks used under license from The Procter & Gamble Company or its affiliates.
PowerBrush Switch

**WARNING**
Before using your vacuum, make sure that the Dirt Tank is in locked position and that all filters, both pre and post-filters, are in place. DO NOT operate your vacuum without these filters.

1. **Turn vacuum ON by pressing Power Switch on (I - ON and O - OFF).**
2. **Press the Brush Roll Power Switch to run the PowerBrush for carpet cleaning (Brush Roll is ON when light on switch is illuminated).**

**NOTE:** The Brush Roll will automatically shut OFF when vacuum is locked in upright position, recline to reactivate.

**NOTE:** Turn the Brush Roll OFF when vacuuming hard or delicate surfaces that may be caught by the rotating brush. This could include hard wood, tiled floors, small area rugs or frieze carpets that have long delicate fibers or threads.

Adjusting the Variable Suction

1. **Locate the Variable Suction Control Valve on the Hose Wand Base.**
2.  

**NOTE:** The vacuum will come with the Variable Suction Valve closed for full suction power.
Above Floor Cleaning

1. Clean stairs or furniture easily with the removable canister. Push the green button to remove and attach desired tool.

2. To get the most reach, attach both the Extension Wand and Combination Dusting/Crevice Tool.

3. Use the Pet TurboEraser® tool for best results on your stairs.

4. Replace the canister back on vacuum by aligning the front with the base of vacuum, then lean canister back and lock into place.

Emptying the Dirt Tank

⚠️ WARNING
To reduce the risk of electrical shock, turn Power Switch OFF and disconnect polarized plug from electrical outlet before performing maintenance or troubleshooting checks.

1. Dirt Tank is full, time to empty!

2. Press Dirt Tank Release Button, grab the handle to pull Dirt Tank away from vacuum.

3. Holding Dirt Tank over a trash bin, press tank empty button.

4. Close bottom of tank and place back on the vacuum. Be sure you place the front of the tank first and push back to “click” into place.
Cleaning the Inner Cyclone

1. With Dirt Tank off vacuum base, push the empty tank button and twist counter-clockwise to remove the separator and pull down.
2. Tap separator against inside of trash bin and rinse with warm water if necessary. Be sure to let it completely dry before placing back in the Dirt Tank.
3. Place separator back in, being sure to align each tab on either side of the top of separator with the notches inside the top of the Dirt Tank.

Cleaning the Filters

⚠️ WARNING
Do not operate vacuum with damp or wet filters, as well as without filters or the Dirt Tank in place. Allow components to dry before reassembling the Dirt Tank.

1. With vacuum unplugged, remove the tank and lift up on the tab attached to the Filter Cover.
2. There are 2 filters here; one foam filter on top and a thinner fiber filter; both are washable.
3. Remove post-motor filter located on the front of the vacuum underneath the Filter Cover. If it appears dirty, remove the filter and gently tap the filter on the edge of a waste basket.
4. Replace the post motor filter by inserting left side first, then clicking the right side into place.

**NOTE:** The post-motor filter is a pleated filter. This filter is not washable and must be replaced when it becomes dirty.
Replacing the Belt & Brush Roll

1. Unplug vacuum, turn over and unscrew 8 silver Phillips-head screws to remove bottom cover.

2. Pull Brush Roll straight out and slide belt off Brush Roll and motor gear.

3. Inspect Brush Roll by placing it on its end and spinning. The Brush Roll should spin freely, multiple times by one flick. If it doesn’t, replace Brush Roll. Inspect belt, replace if it appears damaged.

4. Place belt back on Brush Roll.

5. Pinch belt around Brush Roll & hook back around the silver motor gear.

6. Rotate Brush Roll into place and line up end caps.

7. Re-attach bottom cover with 8 screws.

Maintaining the Pet TurboEraser® Tool

1. Twist gray collar counter-clockwise, until slot appears, and then separate faceplate.

2. Remove Brush Roll, belt and paddle wheel. Inspect for damages and replace if necessary.

3. To reassemble, align two clips on each end of paddle wheel with belt on and pop back into place. Replace Brush Roll with belt, making sure all parts are aligned correctly.

4. To put faceplate back on, align the tabs in the top of the cover and place it down to “click” into place.
## Troubleshooting

**WARNING**

To reduce the risk of electric shock, turn Power Switch OFF and disconnect plug from electrical outlet before performing maintenance or troubleshooting checks.

Warranty

This warranty gives you specific legal rights, and you may also have other rights which may vary from state to state. If you need additional instruction regarding this warranty or have questions regarding what it may cover, please contact BISSELL Consumer Care by E-mail or telephone as described below.

It may be necessary to obtain some of your personal information, such as a mailing address, to fulfill terms of this warranty. Any personal data will be handled pursuant to BISSELL’s Privacy Policy, which can be found online at www.BISSELL.com/privacy-policy.

Limited Five-Year Warranty
Subject to the *Exceptions and Exclusions from the Terms of the Limited Warranty, upon receipt of the product BISSELL will repair or replace (with new, refurbished, lightly used, or remanufactured components or products), at BISSELL’s option, free of charge from the date of purchase by the original purchaser, for five years, any defective or malfunctioning part.

See information below on “If your BISSELL product should require service”.

This warranty applies to product used for personal, and not commercial or rental, service. This warranty does not apply to fans or routine maintenance components such as filters, belts or brushes. Damage or malfunction caused by negligence, abuse, neglect, unauthorized repair, or any other use not in accordance with the user guide is not covered. This warranty will only be valid if the product is used in the same country in which it was sold.

BISSELL is not liable for incidental or consequential damages of any nature associated with the use of this product. BISSELL’s liability will not exceed the purchase price of the product.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

*Exceptions and Exclusions from the Terms of the Limited Warranty

This warranty is exclusive and in lieu of any other warranties, either oral or written. Any implied warranties, which may arise by operation of law, including the implied warranties of merchantability and fitness for a particular purpose, are limited to the five-year duration from the date of purchase as described above.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

NOTE: Please keep your original sales receipt. It provides proof of date of purchase in the event of a warranty claim.

Service

Please do not return this product to the store.
Other maintenance or service not included in the manual should be performed by an authorized service representative.

If your BISSELL* product should require service:
Contact BISSELL Consumer Care to locate a BISSELL Authorized Service Center in your area. If you need information about repairs or replacement parts, or if you have questions about your warranty, contact BISSELL Consumer Care.
